

The analyst's narrative function: inventing a possibility

(3^{er} llamado Marzo 2018)

- 1) Explain the author's purpose
- 2) What need was introduced which connects with the article's purpose?
- 3) Summarize the theoretical background of the "narrative construction" and its applications
- 4) What was Joaquin's problem?
- 5) How does the author interpret Joaquin's reaction to his narrative construction of his week?
- 6) What is Guilherme's background?
- 7) Explain how the author used Guilherme's "Thomas train" as therapeutic tool
- 8) Read the section under the subtitle "conclusions". What does the author propose as a result of her work?

Nota: No van las pag 32 y 33. Las imágenes sólo de Joaquín.
