

Searching for and Finding Meaning in Collective Trauma: Results From a National Longitudinal Study of the 9/11 Terrorist Attacks

(Preguntas del examen)

- 1) Read the title and subtitles and state what the paper is about
- 2) Choose 10 key words that summarize the introduction and discussion
- 3) Look for negatives and quasi-negatives in the introduction and relate with the aim of the study
- 4) State the main contributions of previous research or theories
- 5) What is the gap of the paper?
- 6) Describe the aim of the study
- 7) Why did the author choose 9/11 traumatic event as topic for the study?
- 8) What are the limitations of the present study?

Notas:

Falta una pregunta de la discussion que el alumno que me lo pasó no recordaba. El paper va hasta la página 6, no entra método ni resultados, y vuelve en la página 12. Eran solo 5 carillas.
